Honourable Wayne Cheverie
Minister of Justice and Labour
P.O. Box 2000
Charlottetown, P.E.I.

Honourable Sir:

The Worker's Compensation Board has the honour to present the Thirty-Seventh Annual Report, listing the Financial Reports and Statistical Tables relating to the years work for the year ended December 31, 1985.

The workload has increased greatly in each department in the past year and the Board Members wish to acknowledge the support of the staff and appreciate their contributions.

The Board was able to reduce eleven of the Industrial Rates for 1986 and increased none of the remaining nineteen.

There has been an increase in claims filed with the Board as well as a number of old claims reactivated. The Rehabilitation Department has been successful in returning a number of our claimants, left with permanent partial disability, back into the work force. The Safety Department has been active in the promotion of Occupational Health and Safety in the work place through advanced courses and seminars with the workforce and employers.

Yours truly,

Leo F. Rossiter, Chairman
Raymond Livingstone, Vice-Chairman
Arthur Brown, Commissioner
